Systemicreform. Paperback. Book Condition: New. Paperback. 140 pages. Innovation and transformation are risky, even terrifying, concepts, but not more terrifying than what happens to the 56 million students in the U. S. whose futures depend on us if we dont do something today. If we believe we cannot fail the next generation, then the systemic reform of American public education is a national imperative!In her book, Trina shares why. . Maintaining failing structures both ideological and physical and tinkering with...
