Short Books Ltd. Paperback. Book Condition: new. BRAND NEW, My Natural History: The Animal Kingdom and How it Shaped Me, Simon Barnes, The animal kingdom came to my rescue. It always has done. I suspect it always will. It rescued me at Sunnyhill Primary School, it rescued me in my adolescence, it has rescued me over and over again throughout my adult life." In My Natural History Simon Barnes, like a modern-day Gerald Durrell, weaves together the story of his life via the animals and the natural encounters that have shaped it. From the greater horseshoe bat that transported Barnes from the dull classrooms of his youth, to the great whale which marked the moment he knew he was going to be a writer, from Himalayan Kingfishers in India, to majestic lions in the Luangwa valley, each animal represents a piece in the puzzle of Barnes's life. With its humour and poetry, every page fizzing with Barnes's infectious enthusiasm, My Natural History cannot fail to delight and enthrall any lover of the wild world.
