Excerpt: .and is better here than any where else. Though he appears pretty well now, were he to leave this who knows but he might relapse. No doubt he would like to return to the world, but many there would distrust and despise him--no one does so here; and, upon the whole, I think it my duty to keep him a little while longer. Besides, this place is very expensive to keep up, and I do not exactly see how I could do without him. The person who soothes his conscience thus, may be, comparatively, rather a good sort of man, and yet in this be guilty of a fearful amount of cruelty and injustice toward a fellow creature, whose soul he is slowly but surely breaking upon the agonizing wheel of hope deferred. And with the lower class of patients, there is a temptation to overwork, where the labour can be made profitable, and passed under the name of exercise--to wrong them in the quantity and quality of their food, and to employ cheap, lazy attendants, to whom no wise man would trust the keeping of his swine. Were private asylums a necessity, all this risk would have to be run, but they are not, because public asylums can entirely supersede them; and in public asylums, where the superintendent is no way enriched by confining people who should be at large, but whose credit is raised in proportion to the number of cured patients...
