*It becomes an amazing ebook that we have possibly read through. It is really simplified but surprises within the 50 % from the ebook. You can expect to like how the blogger compose this book.

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 46 pages. Original publisher: Washington, D. C. : The Office, 2000. LC Number: QA76. 9. A25 U56 2000 OCLC Number: (OCoLC)45145943 Subject: Computer security -- United States -- Congresses. Excerpt: . . . B-285625 For most of the instances where security weaknesses were actually exploited, EPA had not fully documented the extent of resulting damage or disclosure. Such information is helpful in better understanding security risks and in determining how much to spend on related controls. EPA did not routinely analyze problem reports to identify trends and vulnerabilities and apply lessons learned to other units throughout the agency. EPA did not fully follow up on problems to ensure that they were resolved and that identified vulnerabilities were not repeatedly exploited. Problem listings were not protected from browsing. Such protection is important to ensure that intruders or others cannot gain detailed information on security vulnerabilities awaiting correction or monitor the investigations of incidents that they may have originated. EPA had not established adequate standards, controls, responsibilities, and procedures to ensure uniform and complete management of security problems and responses or clearly differentiated government and contractor responsibilities. EPA had not routinely summarized and reported security problems and their resolutions to senior EPA managers so that they were aware of the magnitude of the problems and related trends. EPA's incident recordkeeping procedures provide a beginning for more robust incident handling and analysis practices. However, the weaknesses described above diminish the value of these records and of related follow-up activities. It is imperative that EPA correct the specific weaknesses we identified. Security Program However, ensuring that computer security controls remain effective on an Planning and ongoing basis will require substantial changes to the way EPA approaches information security, especially in regard to....
