Brand New Book ***** Print on Demand *****.Excerpt from Black and White in South Africa: A Study in Sociology Mr. Maurice Evans claims as his qualification for dealing in this book with the relations between Black and White in South Africa his keen interest in the subject. Those who, like myself, have had the opportunity of talking over with him some of the difficult problems involved, will certainly allow him this qualification. His readers will also soon attribute to him that sympathy with the natives, both Christian and under tribal law, as well as with his fellow colonials, which is essential to any real understanding of the relations between the two peoples, and they will at the same time appreciate the value of his knowledge so evidently derived from much careful study and from considerable personal experience. I should like to think that among those readers will be a large proportion of the thoughtful men of South Africa on whose action in Parliament and on Provincial and Municipal Councils or on whose influence on their fellow citizens, exerted through the press or the lecture room, the treatment of the native question in the future mainly depends. The book should be read also by that important section of earnest people in this country and their representatives in the House of Commons who claim to sympathize with all natives on the grounds of a broad humanity of feeling which the perusal will help them to believe is shared by many of their fellow countrymen in South Africa. For those concerned in the government of natives elsewhere in the great black continent and in the countries to which Africans have been transplanted the volume contains much...
