Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.How much we believe that we can change and how much we can actually change, isn't as much related to our character and attitude towards life as it is connected to the environment surrounding us and the type of people we meet. After traveling around the world, there were many conclusions achieved about human beings and myself, throughout the process of rediscovering my identity and the meaning of having one. In the following chapters, I reveal how I found myself and my purpose in life, after traveling and working abroad, in dozens of different countries.
