Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Shakina Chance: Most might describe me as weird and different I describe me as unique and being a realist. I have a real different insight on life and a different view on how things should be while others focus on the big and major aspects of it I focus on the little and simple. Although I never got to live a normal childhood I still was able to make it through life just learning how to become an adult much earlier than some. The life I choose to live has brought me through some trials, tribulations, and sacrifice, that was all worth the time. When I allowed Jesus in my life that was when my whole world changed like doing a 360 overnight and although I fell off at one point I still got back on track and was able to continue out my walk with God. That s the funny thing about Jesus he allows you to fall and still pick you back up and continue to give you grace and mercy. I m now 27years old married to my husband Javan Chance, I m a mother of three beautiful little girls Amelia, Olivia, Julia you guys are truly blessed. I have came to the conclusion that at some point we all have to surrender and allow God to take over and I mean a full 100 because doing it our way will always bring us back to square one I m glad I realized that earlier than late in my life cause that would have been time wasted when I could have been serving in the kingdom, so I say all that to say don t..
