

Encyclopaedia of Tourism Resources In India (2 Vols.)

By Manohar Sajnani

2013. Hardcover. Book Condition: New. 864 Travel for pilgrimage and learning has an integral part of Indian culture from the beginning of civilization. Tourism today is a unifying force globally and contribute to national unity, cultural integration and understanding among people from different regions of our vast country. In India millions of people directly or indirectly depend on tourism for their employment and livelihood. Tourism is the third largest source of our foreign exchange earnings. But considering the immense potential of tourism in our country, the growth could be much larger. Tourism is in fact the largest industry in the world and therefore of strategic importance to countries with natural endowments such as ours. India has been a tourist destination from ancient times. Fahien and Hiuen-Tsiang from China, Mark Twain and few Christian Apostles from the West came to India many years ago. But still many beautiful treasures of our country are little known or unknown to our own people. With this objective in mind the author has planned this Encyclopaedia by covering independently each State with detailed analysis of its cultural, geographical, natural and as well as social resources. For the convenience of the readers 28 States and 7...
