Home Hacking Projects for Geeks

By Eric Faulkner, Tony Northrup

O'Reilly Media, Inc, USA. Paperback. Book Condition: new. BRAND NEW, Home Hacking Projects for Geeks, Eric Faulkner, Tony Northrup, Take a geek and a PC, add one soldering iron, a home, and a copy of Home Hacking Projects for Geeks, and you'll give new meaning to the term, "home improvement." From fearless neophytes to tool-wielding masterminds, the home hacker in any geek will find new inspiration and plenty of hands-on guidance to take on a variety of home-transforming projects once relegated to the world of sci-fi. This fun new guide combines creativity with electricity and power tools to achieve cool--and sometimes even practical--home automation projects. Never again will you have to flip a light switch when you enter a room or use a key to open your front door. With a few off-the-shelf devices, some homemade hardware, and a little imagination, you can be living in your own high-tech habitat. Home Hacking Projects for Geeks shows hackers of all ability levels how to take on a wide range of projects, from the relatively small but energy-conscious automating of light switches, to building home theaters using Windows or Linux-based PCs, to more complicated projects like building home security systems that rival...
