Intimate Press, United States, 2012. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****. Are some dreams more important than others? Susan Taggart is a 56 year old woman, long-divorced, estranged from her only surviving child, and recently laid off from her job of nineteen years. Alone and struggling, she faces a new set of fears when a stranger shows romantic interest, including the resurrection of an impossible childhood dream. Can she stop that dream from ruining a promising new future? Susan begins to allow herself to hope again, but just as things seem like they're headed in the right direction, she's confronted by a sinister figure who threatens her life, her dreams, and everything she holds dear. *** Forgotten Dreams is a simple love story that reveals insights into the full scope of main character's fears and feelings, including her sexuality.
