

## Nothing is Right Shaping Clay Book 1

By Michael Scott Monje Jr.

Paperback. Book Condition: New. Paperback. 218 pages. Other people terrify Clay Dillon. He's never had a friend before, even though his mother runs a daycare out of their house. Now, it's time for him to face the first grade. Will he finally figure out what it is about other people that he does not understand, or will he hide himself in his schoolwork? Will he stand out as one of the few first graders that can already read adult novels, or will he camouflage his abilities so that he can avoid the extra attention? Clay wants desperately for other people to realize that he is valuable, but every time they talk to him, it hurts. Nothing is Right is a novel about not being able to be called autistic. Set in 1988, five years before Asperger's Syndrome was formally recognized, it follows Clay through his first year at school. Through his eyes, we can navigate a special education screening system that knows he is an anomaly but that lacks the language to describe him. We can also follow his attempts to find a space for himself, and his frustration when he fails to find ways to communicate. Most importantly, though,....

### Reviews

*Unquestionably, this is the best work by any author. Better than never, though I am quite late in starting to read this one. I realized this publication from my dad and I advised this PDF to find out.*
