Raw Dog Screaming Press, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.(Publisher s Note: The author failed to fold my laundry in the proper manner, so I am letting the cat out of the bag-these are not actual biographies. They are closer to maps of the author s ego than they are texts about the namesakes adorning their covers. So, if you want to read about Freud or Douglass or Hitler I suggest you do so elsewhere.) An icon of true evil, Adolf Hitler is arguably the most important figure of the twentieth century. No one has so patently demonstrated the horrific capabilities of mankind. In Hitler: The Terminal Biography, D. Harlan Wilson tracks the life of the infamous monomaniac from struggling artist to mass murderer. Based on more than ten years of archival research and German sociological study, this one-volume account covers ground previously uncharted by other biographers, drawing heavily on newfound diaries, letters, memos, and phonograph recordings of Hitler s closest confidants as well as the Fuhrer himself.
