Definition of objectives and intensity of desire are THE most essential elements in the daily satisfactory attainment of results, big and small, known as success. Personal improvement contributes in your preparation as the fertile ground for the continued realization of your deeply held desires. When you contemplate how helpless you feel in the face of daily challenges, uncertain and even fearful of what the future might bring, a critical transformation opportunity is presented to you. If you feel a lack of purpose in you, or at the mercy of habits and impulses capable only of perpetuating aimlessness and frustrations, the time is right to give your life direction. In this book you will learn to command your thinking in direct opposition to obstructive elements in your life toward the selection and achievement of your definite objectives. You will empower your will and initiative, with courage, compassion and determination, to take decisive action to succeed. It will be made abundantly clear to you also that the attainment of what you really want in life is only made possible by the intensity of YOUR desire-The Power of How Much You Want It.
