Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Maggie wants nothing more than to bask in the joy of having a boyfriend, being a girlfriend and enjoying eighth grade. But eighth grade is serious -- its one year closer to high school, college and the rest of her life, and Maggie has a lot to do: academic clubs, the swim team, the Patrol This weight-loss club. . . On top of that, she is striving to be the best friend, daughter, and sister she can be (not to mention girlfriend). Balancing everything requires a lot of careful planning and organizing--and, this time, Maggies Master Mult-Tasker might not be enough. Can she handle the pressure?
