Penguin Putnam Inc, United States, 2010. Hardback. Book Condition: New. 193 x 130 mm. Language: English . Brand New Book. In the tradition of The Alchemist comes an internationally bestselling novel based on the author s own mystical journey to discover the seven secrets to creativity, abundance, healing, and love. Unsatisfied and unfulfilled by her understanding of life after the death of her father, Michal journeys to Jerusalem to see if the great mystic rabbis hold any answers. What she discovers, and what Patty Harpenau learned, were the seven secret codes to live by. The Life Codes embodies the mystical essence of Judaism, Christianity, and Islam that have been locked in secret texts and whispered in private ritual only to men of a certain age. Patty Harpenau broke down barriers when she was given these codes, and in this novel based on her own spiritual journey, she shows the process of discovery and how to apply these seven secrets to our lives in order to fulfill our purpose and our potential. Each of the seven codes is revealed as part of Michal s narrative. Each of the seven chapters ends in questions that help readers integrate the code into their lives and develop their own spiritual paths to peace, creativity, abundance, self-acceptance, love, and happiness. It is a heart-wrenching story of love; of relationships that transcend time, life, and death; and of a woman breaking through barriers to achieve her greatest aspiration.
