

## Blues Guitar Licks Chart (Paperback)

By Corey Christiansen

Mel Bay Publications, United States, 2005. Paperback. Book Condition: New. 292 x 216 mm. Language: English . Brand New Book. This chart provides a number of common blues licks. Licks are the ideas in a solo that most listeners find to be catchy to the ear. In some cases the licks may be repeated over and over again in a solo. For ease of reading, each of the licks in this chart are written to be played over a standard 12-bar blues progression in the key of A. Most of these ideas are conceived out of the A minor pentatonic scale or the A blues scale. There are a few exceptions however. Have fun with these classic licks.
