When the first Superman movie came out I was frequently asked What is a hero? I remember the glib response I repeated so many times. My answer was that a hero is someone who commits a courageous action without considering the consequences--a soldier who crawls out of a foxhole to drag an injured buddy to safety. And I also meant individuals who are slightly larger than life: Houdini and Lindbergh, John Wayne, JFK, and Joe DiMaggio. Now my definition is completely different. I think a hero is an ordinary individual who finds strength to persevere and endure in spite of overwhelming obstacles: a fifteen-year-old boy who landed on his head while wrestling with his brother, leaving him barely able to swallow or speak; Travis Roy, paralyzed in the first thirty seconds of a hockey game in his freshman year at college. On the third jump of a riding competition, Reeve was thrown headfirst from his horse in an accident that broke his neck and left him unable to move or breathe. In the years since then, Reeve has not only survived, but has fought for himself, for his family, and for the hundreds of thousands of people with spinal cord injuries in the United States and around the world. And he has written *Still Me*, the heartbreakingly funny, courageous, and hopeful story of his life. Chris describes his early success on Broadway opposite the legendary Katherine Hepburn, the adventure of filming *Superman* on the streets of New York, and how the movie...
