Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

iUniverse, United States, 2006. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.THE PAST Back at the University of Berkeley, the commitment to dedicate his life to missionary work seems far too great of a challenge for him so he flees as fast and as furious as he can away from the two things that he truly needs-a heart dedicated to God, and a heart dedicated to the only woman he has ever truly loved. THE PRESENT After a six-year split, former college sweethearts Eric Jordan and Sarah Knowles reunite in the most unexpected of places-the dark recesses of a broken-down elevator in an abandoned office building. Passion reignites Eric s spirit, making him determined to win back the affections of both God and Sarah. But current trials and tribulations in their hometown of Oaktown, California, severely test the couple s renewed commitment to each other. THE FUTURE Despite the pain and heartbreak of Eric s past rejection, Sarah accepts what she perceives as God s will for her life and succumbs to Eric s sincere remorse and charismatic charms. But is this the right thing to do after having her heart ripped apart by the only man she s ever truly loved? Should she surrender herself-mind, body, and spirit-yet again?.
