A must buy book if you need a PDF of this book. It is quite possibly the best book I have ever read. I have read it twice and I am still learning new things from it. I highly recommend it to anyone who is interested in learning more about the history of the American Revolution. The author does an excellent job of explaining the events in a clear and concise manner. I would highly recommend this book to anyone who is interested in learning more about the American Revolution.
