Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Uncensored Celebrities In the political world, as in all others, the war has created new standards, and the following sketches, slight though they be, are designed to assist the process of reevaluation. They are not meant for the hero-worshipper. The Hero as Politician, always rare, is not discoverable just now by the present writer. The Man of the newspaper articles has still to appear, though he has been regularly announced every three months or so. For the most part one can only say of political things that they have got themselves transacted somehow. But while, like the angry ape, certain politicians have played fantastic tricks before high heaven, others have emerged with credit from the supreme test, and still others have meant exceedingly well. In his task of classification the author has paid scant attention to party labels, and has always preferred the wider to the narrower loyalty. The most important question to be asked of any public man at this time, Is he a good Englishman? cannot be resolved by purely intellectual tests. Judge Jeffreys used to say that he could smell a certain kind of person a mile off. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
