

An Unkindness of Ravens: A Book of Collective Nouns

Filesize: 2.48 MB

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

AN UNKINDNESS OF RAVENS: A BOOK OF COLLECTIVE NOUNS

Michael O'Mara Books Ltd. Hardback. Book Condition: new. BRAND NEW, An Unkindness of Ravens: A Book of Collective Nouns, Chloe Rhodes, Why are geese in a gaggle? Are crows really murderous? And what makes lions so proud? Collective nouns are one of the most charming oddities of the English language, often with seemingly bizarre connections to the groups they identify. But have you ever stopped to wonder where these peculiar terms actually came from? Most of those found in this book have their origins in the Medieval Books of Courtesy, among the earliest works to be published in this country. Despite originating as a form of social etiquette reserved for the gentry, many of these collective nouns have survived to become a curious feature of today's everyday language. This absorbing book tells the stories of these evocative phrases, many of which have stood the test of time and are still in use today. Entertaining, informative and fascinating, An Unkindness of Ravens is perfect for any history or language buff.
