America is perilously weak her economy a shambles, her dollar devalued, her military neglected, and her citizens demoralized and divided. Opportunistic politicians continue to be supported by those to whom they have promised free food, housing, and health care. These politicians, with their failed ideas, show contempt for the laws and institutions they are sworn to protect, and for the hard-working Americans theyve exploited to promote their agendas. In an effort to tranquilize their own guilt, they attempt to destroy anyone who so much as makes them feel in any way guilty about their political actions and life-styles, even characterizing those who differ with them as guilty of hate crimes. As a result, they seek to silence all opposing voices, and are determined to silence Americas Christians and Jews. Tragically, these politicians have also encouraged Americas enemies nations and terrorist organizations who are secretly planning to invade the United States. Prior to the outbreak of war, these politiicans begin attacks on one of their most outspoken critics. Forced to run for his life, he is injured in an auto accident and awakens at the outbreak of war in a hospital X-ray room, his memory gone. Wars Desolation is the first book in a series that chronicles his desperate efforts to survive the war, discover his identity, and resist the enemy. This item ships from multiple locations.
