

The BrickGun Book

Filesize: 1.74 MB

Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.

No Starch Inc. Aug 2013, 2013. Taschenbuch. Book Condition: Neu. 254x200x17 mm. Neuware - The BrickGun Book shows you how to build five remarkably sleek LEGO® handgun replicas, like the classic Berreta 92FS and a formidable rubber-band-firing MAC-11. Each chapter includes step-by-step building instructions and a complete parts list using only readily available LEGO pieces. Builder Jeff Boen has designed each model with stunning accuracy and attention to detail, focusing on everything from 1:1 real-life scale to functioning cocking and trigger mechanisms. Each BrickGun is ultra-realistic in look and feel, but mostly harmless perfect for display or your next backyard battle. Warning: Adult supervision is required. These models are not suitable for children under the age of 12. Exercise caution when handling these replicas and be extremely careful when displaying these models in public, as they may be mistaken for real guns. 230 pp. Englisch.
