Around since the implementation of the New Standard teaching, we have been trying to plan a realistic reflection of the New Standard teaching methods and education reform features, suitable for students and teachers to use supplementary books. To this end, the agency organized a number of key high schools around the first-line backbone of teachers on the basis of the three years of the new curriculum teaching practice and teaching and research, through continuing exploration, optimization, innovation and trial, the group compiled a New Standard typical practice series, is dedicated to the readers. Fascicles of this series are special from the first line of the education and national experimental zone of the new curriculum, senior teachers, writer, full of hundreds of teachers' years of experience in teaching practice and teaching achievements, of a number of teachers in the academic leaders and Orsay coach. New Standard of typical practice: the contents of the Languages ??(8th grade) (Jiangsu) (Practical) followed by the national education reform, closely linked to national basic education curriculum standards, according to the latest textbooks, written according to the national assessment standards, Original school, training, test knowledge systems and the success of three-dimensional gradient evaluation of teaching model, already has too much of the key middle school in the promotion of the trial, stimulate students 'own interest in learning and promote students' transition to learning and improve student achievement, winning the majority of teachers and students of recognition and praise. This series is a high starting point, new information, wide field of view, large capacity, closely linked to new curriculum reform requirements. Based on the materials, but do not rigidly adhere...
