Micropalaeontology in Petroleum Exploration

By Robert Wynn Jones

OXFORD UNIV PR Jun 2005, 2005. Taschenbuch. Book Condition: Neu. 249x192x30 mm. Neuware - Many papers have noted the association between micropaleontology and petroleum exploration, but no book has ever provided a comprehensive and thematic treatment. This book attempts to do just that. It begins with an overview of pure micropaleontology, then treats the principles and practice of applied micropaleontology and sequence stratigraphy; case studies of applications in various geographic, geologic, and stratigraphic settings are given. The final section deals with applications outside petroleum exploration, with sections on environmental monitoring, coal mining, mineral exploration and exploitation, and engineering. Extensively illustrated and referenced, this book will benefit academic and commercial paleontologists. 452 pp. Englisch.

Reviews

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dr. Isabell Wiza DDS**

These types of pdf is the greatest ebook accessible. I have got go through and that i am certain that i am going to likely to read yet again once again in the foreseeable future. I am quickly could get a enjoyment of looking at a created pdf.
