Sexual harassment, child abuse, incest, rape, murder, war--its impossible today to hear a news report and not be informed of violent acts perpetrated by men. Acknowledging that there are no easy answers to the problem of male violence--particularly in a world that seems to thrive on aggression and physical force--Mens Work reaches straight to its root causes. In his ground-breaking work, author Paul Kivel helps men confront the political, social, and personal forces that generate and reward misogyny, hatred, anger, and violent behavior. Combining years of personal study and reflection with his work with men in the Oakland Mens Project, Mens Work presents an innovative and workable approach to stopping male violence. Kivel shows men how to reclaim the power and responsibility needed to unlearn the lessons of control and aggression. Paul Kivel is a nationally known expert on mens issues. Through his work at the Oakland Mens Project, he helps men confront and change violent behaviors and teaches alternatives to violence in their relationships.
