(c)2013 All Rights Reserved The US Review of Books Somewhere in the future, the universe is filled with hundreds of wild, weird and completely diverse civilizations existing on a myriad of strange and wonderful planets. But amidst all these brave new worlds, are otherworldly enemies intent on control, no matter what it costs them or the universe, and all courageous people must step forward and band together to stop them. That s the premise of Gary Caplan s brilliantly realized Talcon Star City, a story of bravery, revenge, aliens, and interstellar swashbuckling. Caplan first burst onto the literary scene when he became a finalist in the highly prestigious 2010 Indie Excellence Award...
