From cries of lament to songs of great praise, psalms were written to communicate the depths of the soul, to proclaim a victory over a foe, and to inspire the journey of another. A progression of the author's personal and internal struggles, they became a healing balm of reason, trust, and surrender. In the same way, these Psalms of Reclamation follow a path from brokenness to restoration, a passage from defeat to triumph, restoring hope in the midst of heartbreak, and reclaiming that which was stolen.
