What are the prison camps like? Are the Germans as cruel as they are painted? These are the questions that I have been asked thousands of times since coming home. I have answered them from scores of platforms, for all kinds of Red Cross organizations; and now I have been persuaded to try and put my answer on paper-and if when I have finished, there are a few points cleared up that you have been wondering, and perhaps worrying about, I shall feel repaid for the writing. They say that the pen is mightier than the sword, but my experiences of the last ten years have given me much more practice with the latter than with the former. I shall not attempt a flowery story, nor exaggerate anything to make it sound big, but I shall, as they say in the Court, tell the truth, and nothing but the truth.
