Tarcher, 2005. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Periel Aschenbrand loathes Internet dating, Republicans, TV, junk food, and stockbrokers. She is twenty-eight years old, lives in New York and Los Angeles, accessorizes Dolce & Gabbana with a "F*ck Bush" necklace, and wakes up every morning to a double espresso with a "splash" of 2% milk. Predictable and pretentious, right? Wrong. Periel Aschenbrand is also best friends with a Mormon, waits tables in Spanish Harlem, flirts with New York City cops, enjoys a good lap dance, gets revenge on snotty salespeople in an unconventional manner, and stayed in constant cell phone communication with her mother while protesting in her underwear at the Republican National Convention. "Are you provoking any policemen? You could be put in jail and get physically hurt by crack addicts who would see you as bait." In a refreshing nonfiction debut that's never sanitized or slick, Periel delivers raunchy and hilarious truths about sex, politics, and how best to inspire the youth of America.
