There are several key trends that are globalizing the world economy and driving business to become more multinational to survive and prosper. The objectives of this thesis are to give an overview of the going public procedure and the registration requirements for U.S. stock exchanges. Hereby, the paper just focuses on the major U.S. stock exchanges NYSE, Nasdaq and the American Stock Exchange (Amex). Second, the paper gives an overview of valuation methods. However, the paper emphasizes only on those valuation approaches, which are used for valuing firms at IPOs. The thesis discusses the economical benefits of an initial public offering on U.S. stock exchanges. The thesis gives recommendations for potential non-U.S. issuers that may pursue a listing on one of the U.S. stock exchanges. Inhaltsverzeichnis:Table of Contents:...
