

Rebel Bookseller: Why Indie Bookstores Represent Everything You Want to Fight for from Free Speech to Buying Local to Building Communities

Filesize: 5.69 MB

Reviews

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

(Nannie Lindgren Jr.)

Seven Stories Press, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "A must-read." - Publishers Weekly (starred review of first edition) "Everything you always wanted to know about the book business but were afraid to ask." -Eric Carle, author of *The Very Hungry Caterpillar* "Andy has put so much passion into his book that it is impossible to read before bed: the book incites a disturbing concoction of adrenalin and hormones that rages against that good night. Not only does Andy not go gently there, he refuses to go, period. This book is heartfelt and honest." -Bernie Rath, former executive director, American Booksellers Association "The local independent bookstore was long a hallmark and core contributor to the intellectual life and well-being of individuals and communities. In this modern era of "big box" bookstores, chain store booksellers, online book sellers, and digital publishing, those traditional independent bookstores are becoming an 'endangered species'. That's why Andrew Laties "**Rebel Bookseller: Why Indie Bookstores Represent Everything You Want to Fight for from Free Speech to Buying Local to Building Communities**" is such a timely and important contribution to our national dialogue. Now in a fully updated and significantly expanded second edition, "**Rebel Bookseller**" is a personal history of how Laties got into selling books, how he has survived and even prospered against book marketing factors that have proved devastating to so many others, the growth of the big chain booksellers, and more. Of special note are the wealth of anecdotes, innovations in book selling, and the cogent 'real world' advice for anyone contemplating starting up an independent bookstore of their own. Informed and informative, occasionally inspired and inspiring, "**Rebel Bookseller**" is very highly recommended reading." - Midwest Book Review "The revival of independent bookselling has already begun..."
