Cambridge University Press. Paperback. Book Condition: new. BRAND NEW, Statistics 1 for Edexcel, School Mathematics Project, Based on extensive feedback from teachers, these popular A Level titles have been written by the experienced team that produced SMP Interact for GCSE. These are clear, user-friendly texts that both teacher and student will enjoy using. Each chapter's objectives are clearly set out and new concepts are carefully developed in a way that involves the student. Worked examples are designed to clarify ideas and techniques, and there is plenty of well-graded practice and revision, including past exam questions that show the standard required. Key points are highlighted as they arise and are gathered in a summary at the end of the chapter, where there is also a self-assessment section. Each book contains a detailed contents analysis and the chapters are structured so that you can easily tell what part of the specification you are covering. Opportunities for classroom discussion are marked, and starred questions provide extra challenge where needed.
