Brand New Book ***** Print on Demand *****.This teacher s guide includes information to help synthesize Amarigna Tigrigna Qal Hieroglyphs for Beginners with Bloom s Taxonomy in the classroom, a pronunciation key for many common hieroglyphs, and classroom games and activities. Background: There are several current trends in social studies education. Among them are multicultural education, and the value of using phenomena similar to the learners life and/or society to enhance and stimulate learning and motivation. These two trends are often mutually supportive and complimentary, as they are in the present case of the AIOS Amarigna Tigrigna Qal Hieroglyphs for Beginners curriculum. In 1994, the AIOS National School Program curriculum was endorsed by the Black Education Commission of the Los Angeles Unified School District (LAUSD), the second largest school district in the United States. In reference to multicultural education the AIOS Amarigna Tigrigna Qal Hieroglyphs for Beginners curriculum serves to expand the learners view of the ancient society and people of Ancient Gebts. Gebts is the ancient name of Egypt and the name Ethiopians and Eritreans continue to refer to Egypt by. Much has been written regarding the effect of mass communication and electronic media in narrowing the world community into a global village. In this context, the AIOS Amarigna Tigrigna Qal Hieroglyphs for Beginners curriculum gives depth and meaning to the media images and provides positive examples of the functioning of ancient African societies. The latter factor doubly is important because the AIOS Amarigna Tigrigna Qal Hieroglyphs for Beginners curriculum counteracts the often-negative stereotypes of Africa and its people, and serves as an instrument in enhancing the important cognitive functions, as defined in Benjamin Bloom s Taxonomy Of Educational Objectives: Cognitive...
