

## Shall We Drink Wine?: A Physician s Study of the Alcohol Question (Paperback)

By Dr Jno Madden

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book is ably written, and the author s conclusions in harmony with the most advanced and most thorough research on this pressing subject of the day, are against wine as a beverage. The verdict of science and of all properly estimated experience is against alcohol as a beverage, whatever temporary uses it may subserve in therapeutics. Weighed in the balance of critical examination it is proven a delusion and a snare as a drink or food and the verdict of Him of old who said, Wine is a mocker and whosoever is deceived thereby is not wise, is after a lapse of decades of centuries, reaffirmed. The book will do much good. - The Alienist and Neurologist, Vol. 20 [1899] This is the dispassionate statement of a scientist as to one of the greatest questions of the day. When we consider that the alcohol business is founded on greed and appetite, it will not appear strange that the annual liquor bill of this country is over twelve hundred millions of dollars, and that intemperate ravings at this...

### Reviews

*The ideal ebook i actually study. It usually does not expense too much. You wont really feel monotony at at any time of your own time (that's what catalogs are for relating to should you request me).*

-- **Mrs. Jacklyn Simonis**

*Extensive information! Its this sort of great read through. It is amongst the most incredible book i have go through. I realized this publication from my i and dad suggested this book to understand.*
