The differentiation between success and failure is based upon the way we perceive the daily events of life and the way we react or act on them. Every person has their set of problems in their lives but a winner convert them into opportunities, while a loser converts even opportunities into problems and blaming everyone else for their difficulties in life. A loser can indict the whole world for the pain in her life; in contrast a winner would enjoy everything in her life while appreciating her life and getting value out of it. Losers are generally confused fellows who lack focus and commitment for anything. In contrast, the winners have clarity about everything in their lives. They are optimistic people who look for possibilities in their lives. The basic difference between a winner or a loser is the foundations on which her life is built. Foundations are the values and beliefs of a person, which are strictly followed by the people in their life. Foundations define the life of the person, the way she lives and the decisions she takes in her life. They bring the clarity in the life of the person by helping her to embrace the right choices from the options presented to her. A person with clarity generally has a set of personal principles or rules based upon which she lives her life. These principles define her actions in life, making her to commit for something while rejecting others. The clarity arising out of foundations improves her focus on actions, making them more efficient and effective. Not all foundations are right and help in getting success in life, instead they pull us down....
