Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Midway through the 21st century, an integrated global computer network manages much of the world's affairs. A proposed major software upgrade an artificial intelligence will give the system an unprecedented degree of independent decision-making, but serious questions are raised in regard to how much control can safely be given to a non-human intelligence. In order to more fully assess the system, a new space-station habitat a world in miniature is developed for deployment of the fully operational system, named Spartacus. This mini-world can then be attacked in a series of escalating tests to assess the system's responses and capabilities. If Spartacus gets out of hand, the system can be shut down and the station destroyed.unless Spartacus decides to take matters into its own hands and take the fight to Earth.
