

## Early Childhood Mathematics (Paperback)

By Susan Sperry Smith

Pearson Education (US), United States, 2012. Paperback. Book Condition: New. 5th edition. 274 x 213 mm. Language: English . Brand New Book. Early Childhood Mathematics, Fifth Edition is the most widely used guide for educators on teaching mathematics to young children in Kindergarten through Third Grade. Practical and applied, this trusted and research-based book encourages teachers and teacher candidates to create an active learning environment that fosters curiosity, confidence, and persistence in children learning mathematics. Expert author, Susan Sperry Smith relies heavily on the most current research in the field, aligns core content to the NCTM Standards, presents information on Cognitive Guided Instruction (CGI) and necessary adaptations for students with special needs. The book covers the most important key concepts for teaching math in the early years with three overarching themes: knowledge of important mathematical relationships, number sense, and the ability to solve problems. The fifth edition builds on the reliability and excellency of previous editions with new information on meeting the educational needs of all students, the importance of STEM careers beginning in early childhood education, more activities, thematic unit, and curricular tools, multicultural literature and activities, a comprehensive update on The Common Core State Standards, NAEP, and the...
