I did as the majority do. It is the minority who rule. I may take a new hold. I have tried, but my brain seems to be dominated by a greater lower force. I see this, but as yet am powerless to prevent its action. Ah, my friends, keep your brain the ruling power. There are times when some people tell others to be honest. It seems so trite and commonplace that one hardly feels today like taking the time. It is like the old admonition that you so often hear, not to keep one's eye on the clock when it is coming near to the time when work is over. These admonitions are so old and so true that everyone has heard them. But this advice would not be used so often if it were not so very true. Take honesty for example. Here you have an absolute essential in permanent satisfying success. There are people who try to be honest and cannot. They are weak. They cannot explain their own weakness. Here, for example, is an opportunity where fifty cents or a dollar can be dishonestly retained. No one will ever know the difference. The chance is taken, just once, you know. Whenever that is done there is an uneven mark placed in the structure of integrity. If it is a young man, he wonders in the future years why bankers will not loan him five...
